

# WIRE STRAIGHTENING & CUTTING MACHINE

## MODEL - WSC

World renowned Sciaky design WSC gives you consistent traightness of the wires for various pplication like welded wire mesh

### Wire Straightening & Cutting Machine

#### WSC Product Range:

#### Features:

Wire Dia. : (a) 1.6 mm to 4.0 mm

(b) 2.0 mm to 6.0 mm

Production Speed : 20-40 Meters / Min.

Motor : 2 HP & Above

#### Specification :

Weight	: 150 kg.
Wire Cutting Length	: Max upto 2.5 meter
Diameter of Wire	: 1.6 mm to 6 mm
Material	: MS & GI
Automation Grade	: Semi-Automatic
Wire Feeding	: Through Wire Spool
Working Space	: Approx. 3 Meter x 1 Meter
Motor Power	: 2 HP and above
Production Speed	: 20-40 meters per minute
